DESCRIBE WORK: _____

When required by the Electrical Inspector, the applicant shall file complete plans and specifications for the installation as necessary to determine whether the work described will be in conformity with the requirements of Article 3.200 of the City of Bellville Code of Ordinances.

I hereby certify that I have read and examined this document and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. Granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
